Personal expenses may include but are not limited to the following: meals/beverages (outside selected housing/meals option), social activities and entertainment, toiletries, laundry, and communications facilities (e.g. internet café, phone centers.) Some items such as textbooks and insurance are invoiced separately by IES Abroad.

**DISCOUNTS AND SCHOLARSHIPS/AID**

- Academic Year pricing reflects at least a 20% discount off second consecutive semester program tuition for the same or a different program. Students must enroll by November 15 to receive the discount for academic year study, after which the second term’s tuition pricing will be based on the following Spring term’s tuition.
- Students will receive a $500 credit on Summer tuition if a summer program is attended before or after a semester or academic year program.
- The IES Abroad program fee does not reflect scholarships, financial aid, or grants such as the IES Abroad Public University Grant.

**VISAS / CONSULAR / RESIDENCY FEES**

- Depending on visa requirements related to certain program locations, length of term, and consular jurisdictions, students may also incur costs for expedited processing, pre-departure conferences, and a $125 fee to obtain their visa.
- These estimated fees apply to U.S. citizens. Non-U.S. citizens may have different requirements and costs.

**CELL PHONE USAGE FEES**

- Cell phone usage fees are additional and on a per call basis, depending upon location.
