**Total Estimated Budget**

All amounts in this booklet are expressed in U.S. dollars. Estimated expenses are based on January 2021 exchange rates. These expenses may vary due to individual needs, spending habits, and exchange rates, and are not included in the IES Abroad program fee. Personal expenses may include but are not limited to the following: meals/beverages (outside selected housing/meals option), social activities and entertainment, toiletries, laundry, and communications facilities (e.g. Internet café, phone centers.) Some items such as textbooks may be billed separately by IES Abroad.

**DISCOUNTS AND SCHOLARSHIPS/AID**

- Students will receive a \$300 credit on a January Term tuition if a January Term program is attended before or after a semester program.
- The IES Abroad program fee does not reflect scholarships, financial aid, or grants.

**VISAS / CONSULAR / RESIDENCY FEES**

- Students studying abroad in two different countries in consecutive terms, (e.g., in Italy one term and in Japan the next) should contact an IES Abroad Representative to determine whether you will be able to obtain visas for both programs, if applicable.
- Students may also need visas for other countries they visit while studying abroad or after completing their IES Abroad program. Research visa requirements before leaving the United States.
- Depending on visa requirements related to certain program locations, length of term, and consular jurisdictions, students may also incur costs for expedited processing, predeparture travel to the consulate or for IES Abroad ACCeSS™ (\$125) to obtain their visa.
- These estimated fees apply to U.S. citizens. Non-U.S. citizens may have different requirements and costs.

**CELL PHONE USAGE FEES**

- Cell phone usage fees are additional and on a per call basis, depending upon location.
