

IES Abroad Disability Grant Application

To enhance study abroad opportunities for students with disabilities, IES Abroad offers grants to students whose disabilities may add significant costs to their study abroad experience. Applications are reviewed by the IES Abroad Dean of Students Office and if approved, students will be awarded a \$500 grant which will appear as a credit on the IES Abroad invoice.

Students applying for the disability grant are encouraged to comment in the description section below on those accommodations that will require significant expense to be incurred in the study abroad location. This may include but not be limited to paid note taking services, text on tape, personal assistants, or private transportation.

Please complete this application and return it by fax to 312-944-1448 or scan and email it to enrollments@IESabroad.org.
