Excused Absences

- Excused absences are permitted only when a student is ill, when class is held on a recognized religious holiday traditionally observed by the particular student, or in the case of a grave incident affecting family members.
- To be granted an excused absence, the student must write an email to his/her professor in a timely manner stating the reason for the absence (and, if appropriate, how long they expect to be away) with a cc to Center administrative staff. In an emergency, the student may call Student Services or the Front Desk. If the student is unable to send an email (too sick, no computer), he/she may call the Student Assistant at the front desk (01/512 2601-11) who will then write the email described above and send it to said parties as stated above, with a cc to the student.
- If a student is absent 3 consecutive days or more, he/she will need to obtain a doctor’s note and then submit this to the Registrar’s office.
