

If you submitted an acceptable Free Application for Federal Student Aid (FAFSA), then you should be able to access and upload a copy of your Student Aid Report (SAR)

The Student Aid Report (SAR) is a paper or electronic document that gives you some basic information about your eligibility for federal student aid and lists your answers to the questions on your FAFSA.

If you provided a valid e-mail address on your FAFSA, you will receive an e-mail with instructions on how to access an online copy of your SAR. If you did not provide a valid e-mail address on your FAFSA, the Social Security Number you included in your FAFSA did not match the one on file for you with the Social Security Administration, or you did not sign your FAFSA, you will receive either a SAR or a SAR Acknowledgement via postal mail. Typically, you will be able to access your SAR within two weeks of filing your FAFSA.

Note: Any student with an FSA ID can view or print his/her SAR by clicking **Login** on the *FAFSA on the Web* home page to log in, then selecting **View or Print your Student Aid Report (SAR)** from the “My FAFSA” page.

The first page of the Student Aid Report (SAR) shows the Expected Family Contribution (EFC) – see arrow below. If you have access to an electronic copy of your SAR, download it and then upload it with your IES Abroad aid application. If you have a paper copy of the SAR, scan it and save as a PDF and upload it with your IES Abroad aid application.
