

Join us for our information series on popular destinations, disciplines and topics designed to provide you with practical information for studying with IES Abroad. Learn about the many ways our programs can provide meaningful cultural awareness and quality academic programming while exploring the world at [www.IESabroad.org/event/zoom-around-the-world](http://www.IESabroad.org/event/zoom-around-the-world).

## INFORMATION SESSION SCHEDULE:

Zoom with us for 30 minutes, live at 2:00 p.m. Central Time

### STUDYING STEM ABROAD

Thursday, March 18

Who says Science, Technology, Engineering, and Math majors can't study abroad? Not us! Join us to hear about IES Abroad programs that offer hands-on, immersive experiences to take learning out of the classroom and into the real world. We partner with some of the top universities in the world to offer once-in-a-lifetime academic opportunities. Environmental Studies and Health Sciences will also be introduced during this session.

### BLOOPERS: LEARNING MOMENTS ABROAD

Thursday, April 1

We won't be playing any tricks on you this April Fools' Day, but we will be exposing the moments from studying abroad that don't go according to plan. Get the real deal about study abroad from those who have done it—these are the stories you won't see on Instagram. Join us for an interactive panel discussion with IES Abroad Alumni as they share their bloopers from their time abroad and how they learned from them.

### STUDYING SUSTAINABILITY ABROAD

Thursday, April 15

Environmental stewardship is a global concern that unites us all, so going abroad creates the perfect setting for studying sustainability. In the spirit of Earth Day, we will be discussing programs that highlight this theme and hearing perspectives from past participants. Join us and discover programs where you can gain an international perspective on environmental sustainability.

### COFFEE CHAT: MAKING THE MOST OF YOUR TIME ABROAD

Thursday, May 6

We know there are a lot of questions that you might have about studying abroad. Hear from IES Abroad Ambassadors (former students) and staff about the topics on your mind, such as making friends abroad, meeting locals, and inexpensive ways to experience your host city. We want you to be as prepared as possible for the experience of your lifetime!
